Meeting room rental rates for the Eccles Conference Center and University Inn include the following basic audiovisual package: screen, podium, whiteboard, overhead projector, 6' skirted head table, and group water service. Rooms 207 & 216 also include a sound system and one wired microphone. Additional items in the same room must be rented. Most equipment is available to be transported to an off-site conference location for a higher rental fee. No additional service charges are added. Additional equipment is also available.
